

## What People Are Saying About Choice Event Staffing....

*"I have several shows across the country each year and hiring temporary staff in each city is a regular occurrence. However, this last show in New York City was one of my most challenging and stressful conferences to date. The staff provided by Choice [Event Staffing] were the best I have seen thus far. Each person was a top level professional of the highest caliber. They handled the most difficult registrants and each challenge with class and ease. Their computer skills were spot on as well. The supervisors I was provided were on top of everything and were also of the highest caliber. I have absolutely zero complaints, nor did I get any complaints from others. If you work in tradeshow, you know this is not as common as it would seem. I was able to focus on the conference itself and it was comforting to know I did not have to worry about the registration staff. I look forward to working with Steve and his team again." Thank you Steve! I'll be in touch! - **Shalece Pollock, Registration Manager | Global Exhibitions, Tel: 972-536-6309, Email: [Shalece.Pollock@informa.com](mailto:Shalece.Pollock@informa.com)***

*"Kristen and her team at Choice Staffing were a pleasure to deal with from start to finish, always willing to go above and beyond wherever they saw the need. Planning events remotely can be difficult but Kristen was supportive and communicative throughout, and her team's initiative and proactive attitude meant that I wasn't consumed by Registration during our live event. I'd always use Kristen as a first port of call if I needed event staff again in NYC. Thank you again for being wonderful! Lyndsey and the Keynote team." - **Lyndsey Robson, Chief of Operations, Keynote London, BST, Tel: +1 801-636-7762, Email: [lyndsey@keynote.ae](mailto:lyndsey@keynote.ae)***

*"I just wanted to say thank you so much for the staff you provided for our event in New York and how good they were. They were very proactive and managed to pick up instructions very quickly. I cannot express my gratitude to Vanessa, Kristen, and Deborah, our staff captains, who managed our different event activations like warriors. *“We are a Trade Show company and produce over 30 shows and events a year in Chicago, New York, Los Angeles and Philadelphia. When we needed to find a new staffing agency in New York, we looked for quite some time before we decided on Events by Choice Staffing. We were very impressed after our initial meeting with Steve and Heather. We were a little nervous for the first show, but once the staff showed up, we knew it was a relationship that would last. Now we don’t know how we managed without them for so long.*

*For some shows we require 18 people, some we require 60 but we always get the same great standard. We require different types of staff; greeters/informational, typists, seminar registrants, cashiers, room monitors, VIP, Media Check In to name a few and have never had a problem.*

*Events by Choice Staffing always come through for us with our last minute requests, as anyone in the Trade Show industry knows happens quite a lot. We are very happy with the Events by Choice team. They are extremely professional, helpful and pleasant to work with. We would highly recommend them to any company interested in their services, no matter how big or small. Please feel free to contact me with any questions or concerns, I would be more than happy to speak with you.”* - **Wendy Confrey,**

Your teams were professional and friendly and Kristen, we really appreciate your time and effort to go through the walk through and provide your suggestions on how best to staff the event to meet our needs. The UN is one of the most challenging places to hold an event and we could not have done this without your help. Again, it was a pleasure to work with you and we will keep your group in mind if we need support in NY for future events. *"I can confirm that your specific Temp assignments provided both our Exhibitor/Customers and my staff, in all 3-lead Retrieval Service Areas, with excellent Customer Service during the recent SFF 2014 Show at the Javits Convention Center in New York. We are off to a Great Start! This initial success was enhanced by your integrity and the "hands on attention to/understanding of" our Temp assignment needs for this Show. Because of this, we have enjoyed excellent reviews of Customer Service & Product Knowledge from our Exhibitor/Customers and my staff (not to mention what I personally observed while attending the Show)."* - **David M. *"It was our immense pleasure to work with Event by Choice during this past week in September at the Society of Laparoendoscopic Surgeons MIS Week 2015 meeting. Heather and her wonderful staff were excellent to work with, professional and all staff maintained the attitude of "service with a smile." The onsite crew was full of energy and youthful professional presence. Attention to detail was a common trait with the entire staff. Our internal core onsite MIS 2015 staff enjoyed working with them and they made our working environment much easier. I would highly recommend this professional group."* - **Teri Valls, CMP, CMM, Meeting Manager, Society of Laparoendoscopic Surgeons, Tel: 678-714-2771, Email: [tvalls@meccinc.com](mailto:tvalls@meccinc.com)**

*“Working with Choice Event Staffing and their entire crew was a dream! Steve and Heather are very hands-on and helpful. Heather felt like an internal team member instead of outside, hired help. Everyone had a terrific, upbeat attitude and added a lot to our event. It's such a relief to have staff I trust when I have so many other things to think about while organizing a trade show. Choice is now my go-to staffing company.”* - **Elaine Hamnett, Vice President, KX Associates, Tel: 212-362-3732, Email: [elaine@a2k-inc.com](mailto:elaine@a2k-inc.com)**
